

BETHLEHEM IS A LONG WAY OFF

**Bumpy bumpy journey,
We travel from afar,
Sitting on our camels,
And following a star.
From the East together
To meet a baby boy,
Here to bring us joy.**

**Bethlehem is a long way off,
But we will find our way.
Bethlehem is a long way off,
As night turns into day.**

**Pacing ever onwards,
Another sun and moon,
To the West we hurry,
We hope we get there soon.
Still the star it leads us,
Towards the baby boy.
Here to bring us joy.**

**Bethlehem is a long way off,
But we will find our way.
Bethlehem is a long way off,
As night turns into day.**

**Bethlehem is a long way off,
But we will find our way.
Bethlehem is a long way off,
As night turns into day.
We will find our way.**
