

Uniform and Appearance Policy 2025-2026

Policy adopted and approved by the Governing Body on:	November 2025  Signed: _____ Chair of Governors
Review Date Annually	November 2026

Introduction

We believe that a school uniform is important because it:

- provides a sense of identity, community and cohesion within the school
- supports positive behaviour and school discipline
- ensures pupils dress appropriately for learning activity
- removes peer pressure to dress in particular fashions
- enables pupils of all backgrounds to share in a common identity which embraces their particular requirements
- help reduce inequalities between pupils and help reduce some triggers for bullying

We ask that all children wear the uniform and we encourage them to maintain a good standard of clean and tidy dress in school. Parents are asked to ensure that all items of uniform - but particularly jumpers, sweatshirts, cardigans and coats - are labelled clearly with the child's name.
