A message from Mrs Wyn Hughes and the Governors of our school

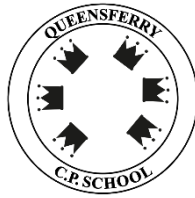

At Queensferry, we greatly value the strong partnership between home and school, and we know that working together helps every child to thrive.

We welcome feedback and are always happy to listen to concerns. We kindly ask that these are raised with us directly so that they can be addressed in a constructive way.

Using social media to name the school or staff members in a negative way can damage the positive relationships we work hard to build and can be very upsetting for those involved.

As part of our school family, we ask for respect, kindness, and understanding so that we can continue to provide the very best for our children.
