Welcome back!

We were delighted to welcome the children back to school on Wednesday for the start of another school year.

Class teachers have been busy getting to know their new classes and ensuring pupils know the routines and activities they can expect throughout the week.

There will be lots of information and messages coming out to you over the next week or so, so please ensure you have signed up for Seesaw.

Seesaw is also where your child will upload work and pictures during the school week, so it is a lovely opportunity to see what your child has been doing during a busy school day!

If you have any problems with the sign-up, please let the class teacher know.

As a staff we have been busy mapping out a range of events for the coming school year that will allow you to spend time in school with your child and some activities that you may find useful, linked to adult learning. We will also be sending out a parental questionnaire in the next few weeks, to ask for your ideas and feedback on what you would like us to offer.

Further information will follow soon.

Kind regards, Mrs Wyn Hughes
