

Chester Football Club

Chester FC and Chester FC Community Trust have again generously issued Queensferry CP School with School Season Tickets so that families can watch every National League North game at the Deva Stadium.

Each school has four tickets, which will admit two adults and two children (or one adult and three children) to any home league matches.

These tickets cannot be used for cup matches, including FA Cup, FA Trophy and any other cup competitions the club participates in.

The season tickets can be used for all of the National League North home matches – see link to the fixture list: <https://chesterfc.com/07/10/our-2026-27-enterprise-national-league-north-fixture-list/>

Tickets will need to be collected from the School Office on a Friday and returned the following Monday, so that they are available for the next family to use.

If you wish to take advantage of this offer one weekend please see Miss Watson in the School Office.
